OFFICERS GO
IN SEARCH OF
HORSE THIEVES

Sheriff Box of Esmeralda county, accompanied by J. D. Grant of Tonopah, one of his deputies, and Van Vleet, a deputy in the office of Sheriff W. H. Thomas of Nye county, left this morning for Sand Springs Valley, 14 miles from Hot Springs, where they will attempt to round up two notorious horse thieves who are said to be in that vicinity. It is stated that the fugitives are wanted at Bishop, California, and in view of the fact that they are considered the worst kind of desperadoes, the local officers were prepared for a battle if the occasion demands.

JOHN MURRAY HELD
ON LARCENY CHARGE

John Murray is in the county jail and a search is being made for "Sherry" McMann, both of whom are charged with larceny. The two men were arrested last night by Officer Rogers, assisted by G. W. Sullivan, who conducts a service station, following the report that they had stolen a 15-gallon drum of lubricating oil. Mr. Sullivan claims that Murray acted as lookout while McMann loaded the drum onto a truck. With Officer Rogers they were traced to an old house near the home of Murray, and Murray was caught in the act of scratching out Mr. Sullivan's name on the drum. In the house where the drum of oil was found there were also found eight barrels of mash, two stills, one having a capacity of 200 gallons and another 40 gallons. Murray denied ownership, stating that he had simply assisted McMann in moving the oil to the building, which the latter claimed he had purchased. In bringing the prisoners to the jail, McMann made his escape from Officer Rogers and is still at liberty. The evidence regarding ownership of the stills is not considered sufficiently strong to charge Murray with ownership, but he is being held on the charge of larceny.

REGAN HOT SPRINGS

The Regan Hot Springs, located between Springdale and Beatty on the T & T railroad, have been sold by Ray C. Pierce, public administrator, to Charles A. Reno, of Pioneer. The amount paid takes care of the mortgage and the creditors may lose a few dollars each, as the money will be prorated. The sale was made through an order of court.

AMUSEMENTS

"SHAME" AT BUTLER TODAY

"Shame," the William Fox special production will be shown at the Butler today, coming from New York where it was acclaimed as one of the greatest pictures of the year during its run at a prominent Broadway theatre. It was applauded as a tense human drama and as an impressive spectacle. The scenes are laid in three countries, the last being Alaska—where the hero, in one of the thrilling incidents, has a bare fist fight with a wolf in defense of his wife and child.

The story deals with the life of a wealthy young man of San Francisco, who was born in a distant country. He is made to believe that his mother was a native woman, and that he is a half-caste, which preys upon his mind until he is driven frantic. He takes his infant child and flees to the snow-fields of Alaska in his determination to shun mankind, and the mystery concerning his dread secret, and the way it is cleared up, makes a picture that is filled with suspense and thrills from the very start to the finish.

Tomorrow, Corinne Griffith, in "Moral Fibre," a picture that is different from all others.

DAVID SIMPSON, REAL
PIONEER, SUCCUMBS

David Simpson, deputy sheriff at Beatty, and old time resident of southern Nevada, died yesterday morning at his home, according to word received here today by Sheriff W. H. Thomas. Nothing is known concerning the cause of his death, but it is surmised that he contracted the flu which developed into pneumonia. Mr. Simpson was about 60 years of age and is survived by a widow. Sheriff Thomas expects to leave tomorrow for Beatty to be present at the funeral.
